Registration Supplier

General Information

- ▶ AGGM is responsible for the registration of suppliers as a one-stop shop.
- ▶ A supplier needs an EI X-Code for the registration of the organisation.
- ▶ AT-numbers are assigned by the Clearing Entity (CE) and are specified as a mandatory field during registration. AT-numbers are used per supplier account for brand differentiation.
- ▶ You can also apply for an activity extension (BGR MA-East and MA Tyrol and Vorarlberg) on the AGGM platform later.
